Request Made By: Cider Mill Lane Residents Date of Request: 9/22/2016

Address: Cider Mill Lane

Telephone: (508) 922-1290

Type of Sign Requested: Dangerous Curves in Road **Location:** Cider Mill Lane

Reason: The width of Cider is only 17' feet. This lack of space prevents two cars from passing without one pulling over for the other to safely pass.

Also, there is a tree at the curve of the road that prevents a clear sight-line for either driver, further inhibiting the ability to safely navigate the curve.
